PLEASE READ CAREFULLY

To those not acquainted with our establishment we would say that our nursery was established over fifty years ago (1864), incorporated in 1890 under the laws of the State of Ohio. We handle a complete assortment of Fruit and Ornamental Trees, Shrubs, Vines, Roses, etc. We have large and well equipped storage cellars and packing houses, giving us unsurpassed facilities for the prompt filling of orders.

SHIPPING FACILITIES.—We are located on the Big Four Railway, running East and West. The B. & O. Ry. passes within a mile of our place which gives us an outlet North and South. Also the Dayton and Troy Traction and the Springfield, Troy and Piqua Traction pass through our city giving us hourly service between Piqua, Dayton and Springfield, and to those who are located on an electric line, with freight service, we can ship by freight over these lines, transferring at Dayton, Piqua and Springfield. The D. & T. has through service to Toledo, Ohio.

EXPRESS COMPANIES.—Two Express Companies, the American and Wells Fargo give us excellent service.

If any nursery stock, etc., proves untrue to description under which it is sold, seller shall be liable to the purchaser only and to no greater extent or amount than the purchase price of such nursery stock, etc., and the seller except for the aforesaid agreed liability and in respect to such purchased nursery stock, etc., gives no warranty express or implied as to description, quality, productiveness or any other matter.

TERMS OF SALE

PRICES.—Prices given herein are for Fall, 1917, and supersede all previous lists and are subject to change without further notice. The articles in this list will be furnished 5 at 10 rates; 25 at 100 rates; 250 at 1000 rates. In no case will long lists or selected varieties be supplied less than 5 of a kind of either fruit or ornamental trees or plants, etc., at lowest rates. We will not book orders made up entirely of scarce varieties.

CAUTION.—We accept all orders on condition that they shall be void should injury befall stock from frost, fire, hailstorms or other causes over which we have no control.

GRADES.—We grade carefully to a uniform standard. When both are specified, caliper measure governs, but we are careful to see that stock is uniform throughout. Our rule is "When in doubt, put in the lower grade."

CLAIMS.—All claims for errors and deductions must be made within six days after receipt of goods.

When no instructions are given, we forward to the best of our judgment, but in no case will we assume responsibility after shipment is delivered in good order to the railway company. Remedy for loss must lie between the buyer and the railway company, but we will gladly render all the aid we can.

GUARANTEE.—Great care is exercised to have all trees, etc., true to name and we hold ourselves ready, upon proper proof, to replace all trees, etc., that may prove untrue to name, or refund the amount paid. It needs no comment for those who have used it.

All who wish to try it out before paying for it can do so. Will ship same and allow ten days' trial; and if not satisfied return it to us by freight.
